

WE WERE EASY FOR SENATORS

Won Their Second Game by a Score of 13 to 9.

NEW PLAYERS COMING TODAY

WEAK POINTS ON TEAM TO BE STRENGTHENED.

To prevent any misunderstanding it will be well to advise all that we yesterday, but we have 'high hopes' for today. A good bit of the game yesterday—almost all of it in fact—was pretty dismal from the Salt Lake standpoint, but in that glorious sixth inning, when our grizzled cherubs came to life for the first time, and taking cognizance of Mr. Thompson's delivery, hammered out five runs, making it close for the day. We all felt first rate, and gave utterance to mixed comment for about ten minutes without cessation.

Our joy was but fleeting, however. Despite much consolation from the grandstands and bleachers to "hold 'em down," Mr. Tozer and his supporting cast let the red devils put away four more, when made it twelve to seven, and we almost gave up then. To be sure, we got a couple more in the eighth, but Mr. Thompson presently became haughty once again and there was nothing much to be done. The action of Mr. Wiggs in warming up was a little for the purpose of throwing a scare into us.

Whether Mr. Tozer underrates Helena's hitting or overrates his own pitching will probably never be known but it must be told that the hot footers from up above had a shade the better of the argument. Our fielding yesterday was nothing to brag about, either, and some of the lads we have advanced to publication gave us the cruel toss.

New Players Are Coming.

All of which has led us to the belief that the Salt Lake team is about ended. It is no easy job to throw a team together in a week, but we are beginning to get a line on some people who looked sufficiently wonderful in our little old league and we have about concluded several of them have been caught without the goods on them. Some new men are on the way and are expected to show up today. They will be very welcome. Once we get the team licked into shape, all hands accustomed to their allotted positions, and on terms of intimacy close enough to permit a little team work, we shall begin to feel that we ought to rake in a few games for ourselves.

As to yesterday's game, there remains little to speculate about. It was plain enough. Our patriots, except in the one inning, were so easy for Thompson that occasionally he was forced to confess he felt ashamed to take it, while the other team landed on Tozer frequently and hard, which, with but indifferent support, contributed to our humiliation.

Another shakeup is due for this afternoon. The hope is that our boys are to be strengthened by the addition of the new men, and it is to be hoped that our long good men will be fitted to all the places and have the trouble will begin again at 4 o'clock this afternoon, and our bunch has promised to make us happier today.

EASY FOR THE VISITORS.

Only in One Inning Was There Anything Spectacular.

The Helena team started in to hog matters in first inning and before matters were settled three runs had been scored. Nagle's hit landed him on first and after Peoples went out, second to first, Howlett stopped a ball with his ribs and was able to pass to first. Nagle stole third and came in on Byrne's wild throw to Taylor to head Nagle off. Carrish came up with a good single and after Frary struck out, Muller's two-bagger landed on Montana. Muller got one run in the first on a free pass, stolen base, and Peoples' failure to stop Carrish's throw and Davis' punt. Mahoney to Frary. Neither team scored in the second.

In the third Howlett and Frary started out with two-baggers, then Carrish was caught out by a good piece of work by Davis. In the fourth, Muller's effort resulted in another two-bagger and Carrish's hit scored Muller. Salt Lake did nothing in the third. Helena getting the same dose in the fourth and fifth. Mahoney failed to judge Parrott's high fly in the fourth and the latter stole safe on second when the ball hit the ground. Fisher came up with a long drive to middle and scored the kitchen youngster from Portland.

Nothing doing for Salt Lake in the fifth and then came the sixth, which was bad for the home team. Five Mormon boys found their way around the bases. Bradley, Davis, Cook, Byrnes, Tozer and Donahue all scored safe hits. A wild pitch, base on balls and Jimmie's head, which slammed the ball over into the west bleachers when Carrish tried to throw him off the first bag, all had a hand in the big score made this inning. Helena also added to their tally. In the sixth, Thompson's first on a fielder's choice, Nagle's three-bagger and Cook's error doing the work.

Then came Helena's turn to run up the score and in the seventh four men covered the round of bases: Fisher and Donahue's failure to field ground hits started matters and hits by Christie, Mahoney and Thompson, together with Fisher's failure to stop Davis' Parrott's throw from the middle field, were responsible for the runs.

Carrish's two-bagger, a stolen base and a hit by two corners, Carrish in the eighth, which settled Helena's game attempt to win out in the eighth. Hite by Shea and Byrnes could do. Hite by Shea and Byrnes and Howlett's error did this work. The summary:

and both have been playing good ball since they came to the town.

Salt Lake again drops to the bottom of the percentage table, but a victory this afternoon will place them in the same position they held before yesterday's game.

E. J. Hunter, manager of the Sunnyside baseball team, has written Manager T. Gunn of the Gaiders team for a game on July 24. Hunter says purses of \$25 have been offered for a game on July 24 and that he would like to have the Gaiders draw here and try to win it.

FACTS FOR THE FANS.

Now that all the local ball players who, the fans should know, have little or no trouble in holding their own in Pacific National League, have been tried in the championship game of the Salt Lake team to get down to business and play ball. The grandstanders, who all have a right to know more about running a team than the managers, have seen a lot of the players of the league out at their own expense, and now the management will take a hand in running the game.

With this idea in view, it was announced last evening that three new players would be added to the team. They are: Anderson at catcher, Lundgren as pitcher and Hanley in middle field. The new players will be tried in the game against Helena. Anderson was considered one of the best catchers in the Pacific National League and Hanley, according to those who have seen him, is a first class player. The new players will be tried in the game against Helena and by far the best man in the league and by far the best man in the old Portland team. These three new players will be tried in the game against Helena and will line up today.

Today will be later day at the ball grounds. All ladies will be admitted free to all parts of the grounds. The game will be a close one, but the Salt Lake team is expected to show up today. They will be very welcome. Once we get the team licked into shape, all hands accustomed to their allotted positions, and on terms of intimacy close enough to permit a little team work, we shall begin to feel that we ought to rake in a few games for ourselves.

As to yesterday's game, there remains little to speculate about. It was plain enough. and Jack O'Keefe for contests, stating that he would meet any one that accepted the challenge. The Salt Lake team, however, there are others who think differently. King's record does not stand any too high in the eyes of the Salt Lake fans who still remember the King-Lafayette who here a year ago, when one of the rawest and one of the truest of the city was pained off on the public.

NEW MAST STEPPED.

Shamrock III Puts on One Three Feet Longer.

New York, July 9.—The big steel pole mast of the Shamrock III was fitted out to the mate in the basin today, and the mast was stepped in its place. The new mast was made of steel and was 33 feet longer than the old one. The mast was stepped in its place and the new mast was stepped in its place. The mast was stepped in its place and the new mast was stepped in its place.

BIKE RACES TONIGHT.

Several Hard Events Are Placed on the Programme.

Manager Schefski announced last evening that the programme for the evening bike races would have one of those curling contests in an unusual pursuit race at the summer track this evening. This will be a race of this kind this year in the professional ranks. Not content with seeing the bike riders, the manager has arranged a five-mile lap race for them. The race will be run on the summer track, which makes the men show up if they want any of the money. The amateurs will be given a mile and a half tandem to occupy their attention.

Another Record For Oldfield.

Marion, Ind., July 9.—Barney Oldfield today established a new world record by driving an automobile a mile on a half-mile track in 1:36.5. The previous record for a mile on a half-mile track was 1:38, made by Winton.

Graney For Referee.

San Francisco, July 9.—Jim Corbett and Billy Delaney, acting for Jim Jeffries, today agreed upon Eddie Graney as the referee for the championship fight in this city Aug. 14.

THE EVOLUTION OF BASEBALL.

Time will not turn backward in the history of the game, but it is interesting to the days before baseball was so well known and before it had become so popular. There were no clubs, no teams, no players, no fans, no game. The game was a simple one, a game of the country boys and the city boys. The game was a simple one, a game of the country boys and the city boys.

WESTERN LEAGUE.

Des Moines, Ia., July 9.—At the Iowa hotel, after today's game, Empire Kelly and Captain Frank of the Colorado Springs team engaged in a fight. In the boxing Kelly received two black eyes and other bruises. Kelly claimed Kelly demanded an apology from Everett for language used on the grounds in questioning and Everett refused to reply with a blow, after which Frank landed in the attack on the umpire. Des Moines won the game by a 10 to 1 victory. Attendance, 400. Score: R. H. E. Des Moines..... 10 1 1 Colorado Springs..... 1 9 1 Batteries—Cushman and Fohl; McNeely and Starnagle.

AMERICAN LEAGUE.

Washington, July 9.—Detroit never had a look in at today's game. Washington hit hard and scored five runs in the first inning. The game was a close one, but the Washington team was probably never known but it must be told that the hot footers from up above had a shade the better of the argument. Our fielding yesterday was nothing to brag about, either, and some of the lads we have advanced to publication gave us the cruel toss.

PACIFIC COAST LEAGUE.

Portland, July 9.—The Browns won one of the most exciting games from Morley's stats ever. There was no score in the first inning, but the Browns won the game in the eighth. The game was a close one, but the Portland team was probably never known but it must be told that the hot footers from up above had a shade the better of the argument. Our fielding yesterday was nothing to brag about, either, and some of the lads we have advanced to publication gave us the cruel toss.
